

Facilities, services and help for students with disabilities at BME

Budapest University of Technology and Economics

At Budapest University of Technology and Economics (BME), the coordinator of equal opportunities (BME - Student Center) helps to find solutions for students with disabilities.

Services of the Center:

- helping to find an individual helper/supporter, who accompanies these students and helps also in studying
- helping to find similar students of the faculty
- lending of devices (e.g e-book reader, laptop, pendrive, cellphone etc.)
- purchasing and lending textbooks/coursebooks
- finding services (e.g sign language interpreter)
- free of charge copying and printing, in case of writing notes is difficult for the student
- service of writing notes
- psychological advices (from the spring semester of the academic year 2012/2013 available also in English language)

Availability of the coordinator of equal opportunities:

Annamária Burgyán
